# WELCOME

Based in Singapore, we specialize in the IGCSE, IB, A-level and Edexcel curriculums, for all subjects. Our wide range of expert services includes Paper Marking, Academic Counseling, Mental Wellness Counselling, Complete SAT prep, University Essay Guidance, Resume Writing, Interview Coaching and other expertly curated support.

## MEET OUR FOUNDER

“As a biochemist turned chartered accountant and then script writer, I understand the importance of holistic learning and strong fundamentals. Being a specialist English teacher, I tutor all written subjects, and also oversee every student's needs and progress while they learn from our hand-picked tutors. Parents trust us as they have seen their children evolve, succeed and transition seamlessly from IGCSE to IB and beyond. We are proud of the relationships we nurture and many students return to us for internship, career, and university advice.”

-SUNITA SHARMA, FOUNDER

## VISION

Our vision is to build an international educational community that furthers students' growth and personal success.

## MISSION

Our mission is to empower students with lifelong learning strategies that prepare them for school, university, and beyond. Students develop analytical thinking, problem-solving abilities, creativity, and innovation.

## OUR CORE VALUES

We provide **excellence** in quality across all aspects of our teaching.

---

Building trusting relationships while operating with **integrity** at all times.

---

We stay agile and work with urgency to **adapt** to changing circumstances.

---

We promote **continuous learning** & quality improvement in our services.

ONLINE CLASSROOMS**

# WHAT MAKES US STAND OUT

1

## **FOUNDED & RUN BY A SOUGHT-AFTER EDUCATOR**

A British English native speaker, Sunita Sharma has over 30+ years of multi-disciplinary experience and is a trusted academic mentor.

3

## **VETTED, QUALIFIED AND EXPERIENCED TEACHERS**

We have Ph.D. holders and IB examiners who curate a personalised learning path for each student.

2

## **REGULAR PROGRESS MONITORING**

Class notes are provided after every session for parents to stay informed of progress, along with detailed feedback given on all assignments.

4

## **AWARD-WINNING & NUMEROUS STUDENT SUCCESSES**

Ranking top 3 among Singapore tuition organizations, with 95% of students securing As/ A\*s and 6s/ 7s.

# 95%

## **SCORE A'S AND A\*S IN THEIR IGCSE**

# OUR OFFERINGS

## **HOLISTIC DEVELOPMENT**

We run weekly group classes through the whole academic year. These classes are designed to teach core topics and strategies, bridge learning gaps, and ensure the exam syllabus' are fully mastered. Students who attend these classes are provided with detailed feedback on their in-class assignments and homework.

## **1:1 PERSONALIZED SESSIONS**

Individual classes are suggested for new students, to devise a suitable study plan. Following attendance at relevant group sessions, further solo classes are encouraged, particularly nearer to exam dates, for students to consolidate their learning and address any specific weak areas in order to optimize performance.

## **INTENSIVE EXAM PREP CLASSES**

Leading up to exams, we hold intensive exam preparation classes where students learn exam strategies and practice full-length papers. Marking of these papers is included as a part of the classes. We teach them where and how they can improve to ensure they ace their exams!

## **WORKSHOPS**

The sessions often held during school holidays, are aligned to the needs of the academic calendar. Offering supplementary language and literature workshops, catering to specific topics and texts, these classes are ideal for students who missed classes or need revision/teaching of specific areas of study.

# TYPES OF CLASSES

At Young Scholarz, we provide various options and methods for students to schedule and arrange their classes according to their needs and preferences. One of the main reasons why parents and students choose us is because of the flexibility we offer in our booking system. Below we've listed out ways in which you can schedule classes with us.

## **WEEKLY STRUCTURED CLASSES**

We run weekly group classes throughout the whole academic year. These classes are designed to teach core topics and strategies, bridge learning gaps, and ensure the exam syllabus' are fully mastered. Students who attend these classes are provided with detailed feedback on their in-class assignments and homework.

## **ONE-OFF, 1:1 TAILORED CLASS**

These kinds of one-off sessions are tailored to students who have a specific sub-topic query or a short essay they need help with. The tailored approach ensures that the class is optimized for the student's learning needs.

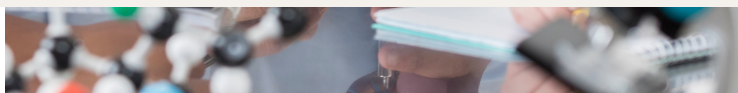

## **CUSTOMIZED CURATED PROGRAMMES**

These are structured and organized programmes that span a period of 6 to 12 weeks, outlining the objectives, content, activities, and assessments for a specific subject or course. A breakdown of the subject matter or topics to be covered during each week or unit is provided. This ensures a cohesive and progressive learning experience for students over the designated time frame.

## **EXAM INTENSIVE PREP SESSIONS**

These sessions typically involve an accelerated and targeted approach to review and consolidate knowledge and skills required for the specific exam. In a short period, students do a thorough review of the key concepts, topics, formulas, theories, or other relevant content. They are also provided strategies and techniques for effective test-taking, involving practice questions and mock exams.

## **HOLIDAY WORKSHOPS**

The sessions often held during school breaks or holidays, are aligned to the needs of the academic calendar. Offering supplementary subject workshops, catering to specific topics, these classes are ideal for students who missed classes or need revision/teaching of specific areas of study.

## **TRANSITION PROGRAMMES**

Before a student begins the new academic year, we support them with classes during the holidays. These classes are ideal for students who are transitioning from IGCSE to IB (Grades 10 to 11) or between education systems/ curriculums.

Please note: Students who opt for multiple sessions with us, always start off with an introductory class which is the initial session or meeting where the tutor and student come together to establish a connection, set expectations, and begin the learning relationship. It serves as an introduction to the tutor's teaching style, the student's learning needs, and the academic goals they aim to achieve together.

# FEATURED SERVICES

1

## PAPER MARKING

For our IB students, we offer Paper Marking services, where students can have their mock papers/ attempted papers marked by one of our expert teachers. We can mark your papers and provide extremely detailed feedback that is invaluable and will help you get the grades you want.

### Why should you have your papers marked?

- Practicing past exam papers is fundamental to final exam success.
- Opportunities to receive feedback from school may be limited.
- Mark schemes only give an idea of banding for marks.

2

## ACADEMIC COUNSELLING

For students making the transition from IGCSE or other curricula to the IB, the switch may appear quite intimidating. Questions arise about selecting subjects for the International Baccalaureate Diploma Programme (IBDP) - which ones to choose at Higher Level (HL) and which ones at Standard Level (SL)? Additionally, deciding on a topic for the Extended Essay (EE) can be challenging. Moreover, understanding how the IBDP fits into your college application can add to the uncertainty.

Students who need brainstorming, discussions and support on similar IB academic concerns can reach out to us. Our team of experts is here to support you and facilitate discussions to ensure a smooth and successful transition to the IB program.

**95%** **SCORE 6 AND 7  
IN THEIR IB**

# UNI & BEYOND

Our support doesn't end at IB and continues towards students prepping for college as well as freshers seeking employment. Young Scholarz has helped students gain admission to colleges including UCL, Kings, TUFTS, UCLA, University of Chicago, University of Michigan, Babson, and Georgia Tech among many others.

The Young Scholarz average for SAT students is 700 for English as opposed to the global average of only 513. Although crucial, SAT is one step towards a successful academic journey. Our support continues by helping out with University Essays, Personal statements, and prepping for University on the whole.

# UNI & BEYOND

At Young Scholarz, we understand that the journey to university can be both exciting and overwhelming. That's why we're here to guide you every step of the way, providing comprehensive support for all your university admission requirements.

## **UNIVERSITY PREP**

- US Common App Essays
- Statement of Purpose (SOP)
- General University Admission Essays
- UK Personal Statement (UCAS)

## **CAREER PREP**

- Interview Coaching
- Resume Review
- Academic Counselling

## **LANGUAGE EXAMS**

- Chinese Proficiency Test (HSK)
- IELTS (International English Language Testing System)
- TOEFL – Test of English as a Foreign Language
- French Language Certification (DELF)
- French Proficiency Test (TEF Canada)

## **STANDARDISED EXAMS**

- SAT English
- SAT Math
- PSAT English
- ACT Math
- ACT English
- GMAT English
- GMAT Math
- GRE English
- GRE Math
- LNAT

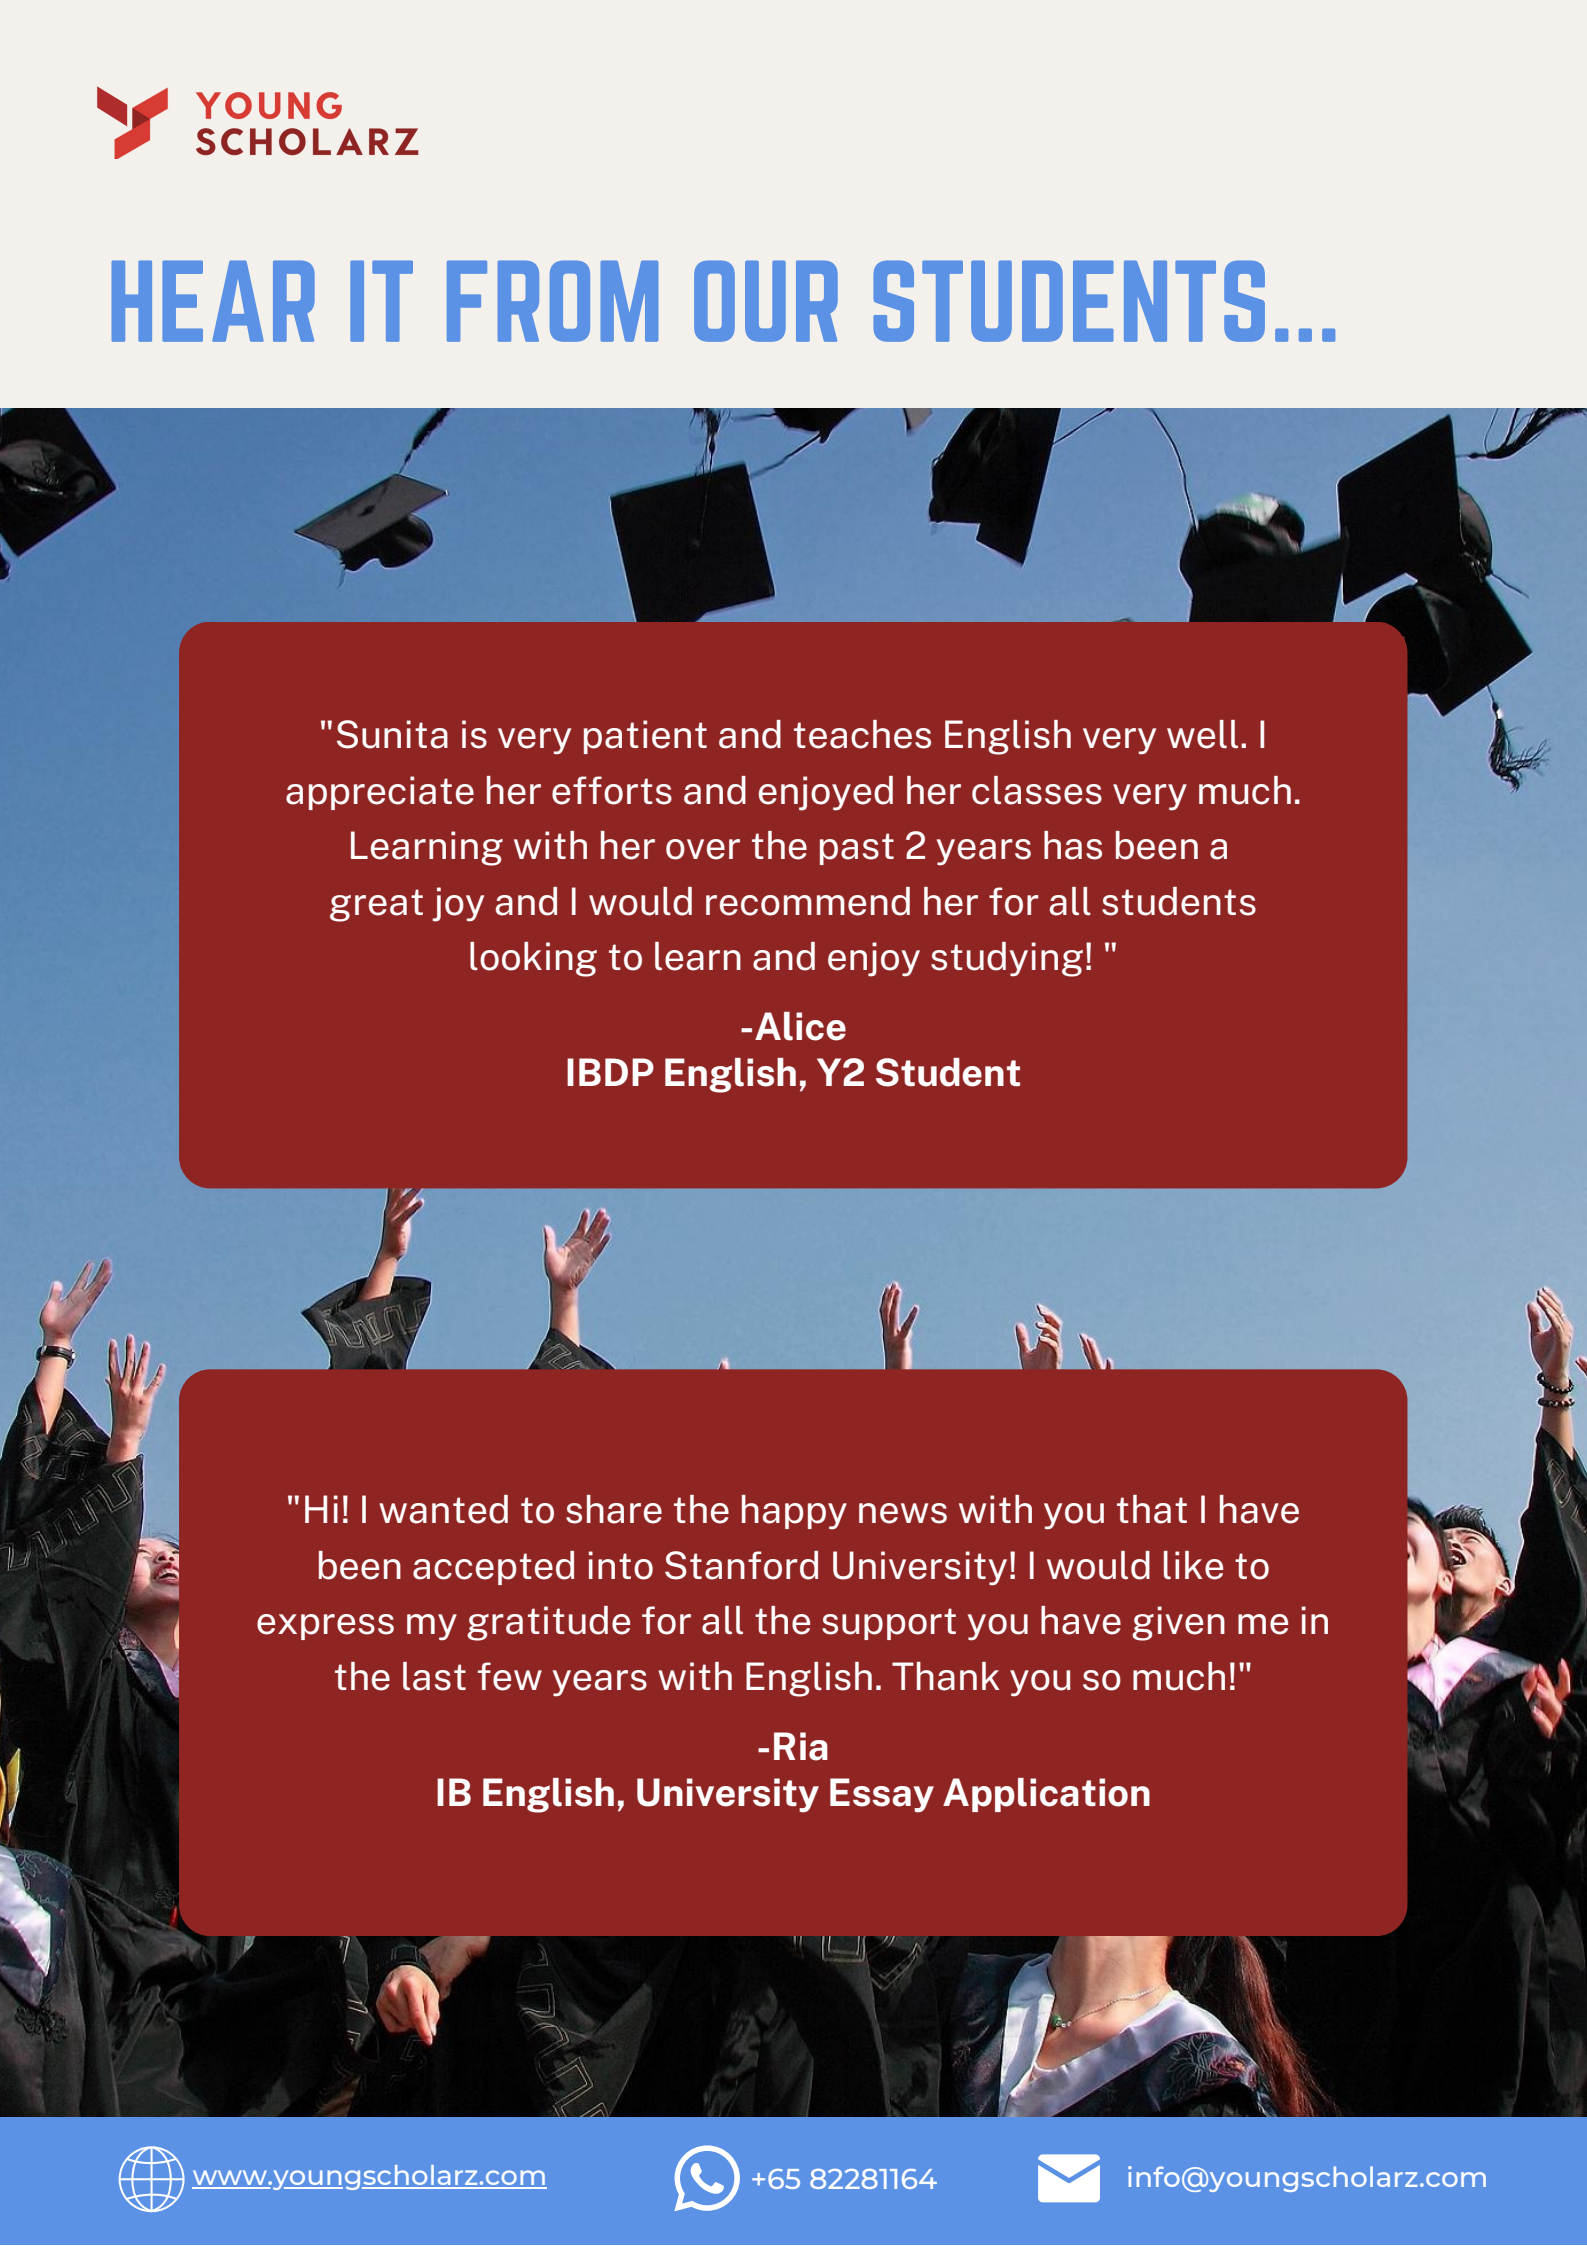

## OUR PROMISE

We guarantee an improvement in grades, with most students improving by an average of 2 bands.

# HEAR IT FROM OUR STUDENTS...

"Sunita is very patient and teaches English very well. I appreciate her efforts and enjoyed her classes very much. Learning with her over the past 2 years has been a great joy and I would recommend her for all students looking to learn and enjoy studying! "

**-Alice**  
**IBDP English, Y2 Student**

"Hi! I wanted to share the happy news with you that I have been accepted into Stanford University! I would like to express my gratitude for all the support you have given me in the last few years with English. Thank you so much!"

**-Ria**  
**IB English, University Essay Application**

# HEAR IT FROM OUR STUDENTS...

"My math grade went from 49% to 85% thanks to my amazing teacher. She inspired me and used effective methods to help me improve. I now love math and am grateful for her 1:1 sessions."

**-Rahul**  
**IGCSE Mathematics, Grade 10 student**

"After learning Physics on a 1:1 basis, I have become more confident in my understanding of the subject. The teacher is a great teacher and helped me understand topics I was initially struggling in."

**-Carl**  
**IBDP Physics, Grade 12 student**
